**G**rosgrain, pompoms, tassels, feathers... If you were the kind of little girl who coveted pieces of ribbon like boys collected conkers, you'll love [www.vvrouleaux.com](http://www.vvrouleaux.com). Launched last September by Annabel Lewis, the first lady of fripperies, who founded three successful shops in London and Glasgow, this is the place to find the perfect embellishment for everything from cushions and curtains to wedding dresses. A treasure trove of frills, bows, braiding and ribbons in every imaginable colour, they even offer a free sampling service, where you can send in a design or swatch of fabric and they'll post back trimmings to match.

**Or you could try...** [www.designersguild.com](http://www.designersguild.com) for orsetti trimmings; Australian website [www.specklefarm.com.au](http://www.specklefarm.com.au) for gorgeous grosgrain.
